FOR IMMEDIATE RELEASE

### **Press-release**

St. Petersburg, Russia. 7th July 2008

### **New Speereo™ Voice Translator released.**

**Brand new version of Speereo™ Voice Translator is out! Version 4.0 features improved operation speed, minor bug fixes, and full support of latest Symbian and Windows Mobile smartphones.**

Speereo Voice Translator is an easy-to-use but very powerful and extremely useful product for business & leisure travelers and foreign language learners. It supports bi-directional translation for 16 languages: English, Spanish, German, French, Portuguese, Italian, Finnish, Russian, Turkish, formal Arabic, Chinese Simplified, Chinese Traditional, Korean, and Japanese.

### **New languages in version 4.0 – Polish, Danish.**

This multi-purpose application includes approximately 4000 phrases for almost every situation a traveler could face - including business, technical, medical and legal terms, phrases, idioms and some slang. These phrases are arranged in 16 main categories and 87 sub-categories by subject, such as:

Travel / Useful / City / Food / Shopping / Health / Entertainment.

### **Benefits:**

- Complex solution for business travelers
- Support of Asian languages
- Multiplatform solution for **Symbian** and **Windows Mobile** devices
- Multilanguage interface and documentation for 16 languages

### **Additional services include:**

- Online Flight Timetable and Flight Status.
- Online World Weather
- Columbus Travel Guides

### **New service in version 4.0 - Size & Measure Converter.**

Conversion options include length, square, volume, weight, pressure and temperature conversion as well as men's and ladies' wear and shoe sizes conversion.

Go to <http://www.speereo.vt.com/> to download the latest version!
