FOR IMMEDIATE RELEASE

## **Press-release**

St. Petersburg, Russia. 10th June 2009

### **Speereo™ Voice Translator 4.5 released.**

**The updated version Speereo™ Voice Translator is out! Now Speereo Voice translator includes Maps service.**

Speereo continues to develop its all-in-one solution for travelers, improving its usability and functionality. From now on, SVT users will have immediate free access to Google Maps without the need to launch browser or a dedicated application. By the way, the upgrade is FREE (for registered users of SVT 4.0).

Speereo Voice Translator is an easy-to-use but very powerful and extremely useful product for business & leisure travelers and foreign language learners. It supports bi-directional translation for 16 languages: Arabic (Classic), Chinese Simplified and Traditional, Danish, English, Finnish, French, German, Italian, Japanese, Korean, Polish, Portuguese, Russian, Spanish and Turkish.

This multi-purpose application includes approximately 4000 phrases for almost every situation a traveler could face - including business, technical, medical and legal terms, phrases, idioms and some slang. These phrases are arranged in 16 main categories and 87 sub-categories by subject, such as:  
Travel / Useful / City / Food / Shopping / Health / Entertainment.

#### **Benefits:**

- Complex solution for business & leisure travelers
- Support of common European and Asian languages
- Multilingual interface and documentation in 16 languages

#### **Additional services include:**

On-line Flight Timetable and Flight Status, On-line World Weather Forecast, Travel & Event Guides, World Clock, Size & Measure Converter, On-line Currency Calculator

#### **NEW in version 4.5**

Access to Google Maps service (the map data is retrieved from Speereo's web site)

Registered Speereo Voice Translator users are now enabled to use Maps service, including "Where am I?" option, POI search and 4 view modes (Road Map, Standard, Terrain and Hybrid ). The data is retrieved in the mobile-friendly format with easy touchscreen and/or keypad navigation. With the access to maps, one is able to find places depicted in Speereo Guides and choose the most interesting destination. From now on, with Speereo Voice Translator, you won't ever be lost in a foreign country! For more information go to [www.speereoovt.com](http://www.speereoovt.com)
