**Speereo Voice Translator Symbian is #3 among best selling Travel & Holiday applications on Nokia Software Market**

Speereo Voice Translator is best selling application for tourists on Symbian S60 3<sup>rd</sup> Edition platform.

SVT for Windows Mobile was awarded annually in 2005-2008 by Smartphone Magazine Best Software Awards board of experts, today Symbian version of this great application gets recognition proved by numerous happy symbianists.

“We are currently targeting our development and marketing processes almost solely on Symbian platform. Today we find Symbian most promising Smartphone OS” - states Daniel O. Ischenko, Speereo's VP of Business Development.

Speereo is currently porting its Speech Engine on Symbian platform, this means that Speereo Voice Organizer will appear on Nokia mobile devices and Speereo Voice Translator will recognize English speech to translate and pronounce it in target language.

We also plan to modify Speereo Voice Translator to be fully compatible with new Nokia touchscreen phones.

The trial version of Speereo Voice Translator can be downloaded from <http://www.speereo.vt.com/>
